1) Total Grant Request from ASCM: \_\_\_\_\_

2) Project Description

Please attach (three or fewer typed pages) a brief description of the project, including details as noted:

\_\_\_ Who? List students participating, including grade level of each, volunteers and expert assistants.

\_\_\_ What? Describe the goal of the project in terms of the physical result.

\_\_\_ Where? Describe the location of the project, including its relationship to existing school facilities and accessibility to students for use.

\_\_\_ When? Specify a timeline, including when project will begin, steps to completion, and when it will be completed. Who will be responsible for long-term maintenance?

\_\_\_ How? Explain how the project relates to environmental education programs at the school both during and after completion of the project, if appropriate.

3) How does the project benefit native wildlife and natural habitat? For example, will you plant native flowers that attract native butterflies? Please be specific. Attach additional page if needed.

4) Will you be asking for matching funds from other organizations or sources? Please list where you are applying and how the project would be affected by receiving more than one grant. (Use additional pages as necessary)

5) Budget Specifics (Use additional pages as necessary)

Budget Item –item, quantity, price per item	ASCM Request	Donation or Matching \$	Total \$
e.g., perennial herbs 5 x \$5.00	\$ 0.00	PTA \$25	\$25.00
e.g., mulch bags 20 x 3.00	\$0.00	Garden Ctr.	\$60.00
e.g., Purple coneflower 4 x 5.00	20.00	0.00	\$20.00
<b>Total:</b>			

6) Assessment: How will you assess what students have learned from the project? How will your students confirm that their work has benefited wildlife and habitat? Will you provide a final report, preferably with photos, to ASCM about your project and what your students learned? Add additional pages as needed.

7) Additional remarks: If you wish, please add any additional thoughts or explanations that will help give a complete picture of your proposed project. Add extra pages as needed.
